## **Utilities, Inc. Has Best Tasting Water in Florida**

NORTHBROOK, Ill. – March 30, 2007-- Utilities, Inc. (UI), a national water and wastewater service corporation, and its subsidiary Lake Utility Services, Inc., are proud to announce that their Four Lakes water system was selected by the Florida Section of the American Water Works Association as having the best tasting water in Florida. In a blind taste test consisting of water samples from 11 different utilities representing all parts of the state, Four Lakes' water was judged as having the best tasting water. The Four Lakes water system is located in Lake County near the city of Montverde, which is in Central Florida.
